Vision Statement

AGA is to be the premier association for advancing government accountability.

COVID-19 Update

In light of the continued pandemic, the AGA Trenton Chapter continued virtual training events with the use of the GoToWebinar platform. With restrictions changing, the chapter was able to host the annual bowling event, the awards dinner, and community service events in person. The chapter plans to offer a mix of virtual and in person training opportunities and events in the future to help balance the requests from the AGA Trenton Chapter membership.

Our Mission

The AGA Trenton Chapter is a leading advocate for improving the quality and effectiveness of Governmental fiscal management. To this end, our goal is to carry forward the purpose of the AGA itself—to promote continuing education, development, and professionalism in the areas of government financial management and to promote opportunities for community service.

National Mission

AGA fosters learning, certification, leadership, and collaboration for professionals and stakeholders committed to advancing government accountability.

Overall, attendance in 2022 for events has decreased.

In October 2021, members ran/walked for Ryan's Quest.

AWARDS

The Chapter hosted a bowling networking event in April 2022 to get to know potential new members.

The awards banquet was held for the first time in 2 years due to COVID-19. The chapter was able to recognize professionals and students for excellence.
